Welcome to
OAK HAVEN
 FAMILY CAMPGROUND

At a time when so many campgrounds seem to offer you a choice of either location or amenities, Oak Haven is a refreshing alternative with the best of *both!* Located in the midst of a 90-acre private, wooded preserve, Oak Haven is centrally located to all of the Sturbridge, Brimfield and greater Pioneer Valley attractions. Unlike so many crowded "parking lots" alongside of busy highways, Oak Haven offers its guests a quiet change of pace which symbolizes the small-town lifestyle of rural New England.

After dealing with the hustle, bustle and hassles of a Monday thru Friday nine-to-five routine, Oak Haven offers a welcome relief where the air is clean and the nighttimes are filled with starry skies and the sounds of crickets. Spacious sites offer a maximum of privacy, while the glow of crackling campfires encourages friendships which can endure forever. It is no wonder that so many of Oak Haven's guests have become seasonal campers, taking a personal pride in enhancing the natural beauty of their "second homes" in the country. First-time guests are sure to recognize the cleanliness and care, concern and courtesy, which are everywhere to be found at Oak Haven.

Why settle for less by searching for more? Enjoy the Oak Haven experience ... truly what camping was intended to be!
